

Rising Punjab: Brighter Bihar

Academics, Affordability and Awareness

Education Summit

for Bihar Consultants

Hotel Gargee Grand, Exhibition Road, Patna

19th July

Rising Punjab

Punjab is shaping a brighter future through transformative education, empowered youth, and world-class institutions—creating a legacy of knowledge, innovation, and opportunity that leads the way for generations to come.

Punjab, located in the north-western region of India, is a prosperous and culturally rich state known for its excellence, hospitality, and a rapidly developing education system. The peaceful environment, safe lifestyle, and modern infrastructure make it an ideal destination for students to pursue their studies.

Punjab's higher education landscape is steadily progressing. The state is home to hundreds of university-approved colleges offering modern facilities and quality education in diverse fields such as Engineering, Management, Pharmacy, Health Sciences, Hotel Management, and Arts. Colleges affiliated with reputed institutions like I.K. Gujral Punjab Technical University (IKGPTU) and Punjabi University are globally competitive and committed to academic excellence.

Alongside academics, students in Punjab benefit from a multicultural environment, career development programs, skill training, and promising placement opportunities. For students from states like Bihar, Punjab stands as a safe, affordable, and reliable option for quality education and a brighter future.

The cost of living in Punjab is comparatively lower than many metro cities, making it easier for outstation students to manage expenses. Colleges also offer scholarships, hostels, transport, and student support services. With friendly locals, a clean environment, and a focus on holistic development, Punjab is truly emerging as a preferred hub for all-round academic growth.

Recently, the Hon'ble Governor of Punjab, Shri Gulab Chand Kataria, launched PUCA's (Punjab Unaided Colleges Association) Anti-Drug Campaign, uniting over 200 reputed colleges and universities in a shared mission to make their campuses drug-free. This landmark initiative marks a significant step toward eradicating substance abuse among youth and promoting a healthier academic environment across the state.

Message, President PUCA

I extend my heartfelt gratitude to every college and educational institution in Punjab for being a part of the Punjab Unaided Colleges Association (PUCA) over the past decade. With your continued support, PUCA has earned the trust of students, academic institutions, and various government bodies. We remain committed to advancing not only higher education but also the overall academic infrastructure and student welfare in Punjab and beyond.

Punjab and Bihar share a deep historical and cultural bond. It is noteworthy that one of the revered Akal Takhts, Takht Sri Patna Sahib, is located in Bihar, symbolizing the longstanding spiritual and social connection between the two states. The people of Bihar have also made valuable contributions to Punjab's agricultural and social landscape, especially during the Green Revolution.

PUCA sincerely thanks both the Governments of Punjab and Bihar for their support in fostering educational development across states. In a landmark initiative, PUCA is proud to announce an education-focused collaborative event where an initial group of 30–50 colleges has come together to offer scholarships worth 50 crore. These scholarships will be distributed through verified education consultants, ensuring accessibility for deserving students from Bihar.

This event marks a significant milestone—it is the first of its kind, and PUCA envisions many such collaborative ventures in the future. We are dedicated to bringing innovation, opportunities, and quality education to the students of Bihar and, in the coming phases, to the North East and other potential regions across India.

We look forward to the resounding success of this initiative and the positive transformation it will bring to the Indian education landscape.

Dr. Anshu Kataria
President PUCA

Punjab Colleges & Universities joins hand for 'Drug Free Campuses'

campaign launched by Hon'able Governor of Punjab, an initiative by PUCA

His Excellency, Hon'ble Governor of Punjab, Shri Gulab Chand Kataria, launched PUCA's (Punjab Unaided Colleges Association) Anti-Drug Campaign, uniting over 250 reputed colleges and universities in a shared mission to make their campuses drug-free. This landmark initiative marks a significant step toward eradicating substance abuse among youth and promoting a healthier academic environment across the state.

राजपाल कटारिया ने 'नशा विरोधी जागरूकता अभियान' का किया शुभारंभ

250 से ज्यादा कॉलेजों को जोड़ा 'नशा मुक्त परिसर' की दिलाई शपथ

राजपाल कटारिया ने 'नशा विरोधी जागरूकता अभियान' का शुभारंभ किया। इस अवसर पर उन्होंने 250 से अधिक कॉलेजों को जोड़ा और 'नशा मुक्त परिसर' की शपथ दिलाई।

गवर्नर कटारिया ने कहा कि इस अभियान में 250 से अधिक कॉलेजों को शामिल करने का उद्देश्य है कि वे नशा मुक्त परिसर बना सकें। उन्होंने कहा कि नशा मुक्त परिसर बनाने का उद्देश्य है कि नशा मुक्त परिसर बन सके।

गवर्नर कटारिया ने कहा कि नशा मुक्त परिसर बनाने का उद्देश्य है कि नशा मुक्त परिसर बन सके। उन्होंने कहा कि नशा मुक्त परिसर बनाने का उद्देश्य है कि नशा मुक्त परिसर बन सके।

Gulab Chand Kataria launches "Anti-Drug Awareness Campaign"

SHRISH PAL JAIN CHANDIGARH, JULY 31

Governor of Punjab and Administrator of Chandigarh Shri Gulab Chand Kataria today formally launched the "Anti-Drug Awareness Campaign" started by Punjab Unaided Colleges Association (PUCA).

He said that the campaign is a noble effort to give a new direction to the youth. He particularly shared the view that, "Raising a child does not keep him away from addiction. It is a social change and needs to be a part of the society. He said that drug addiction is a social and national crisis, which slowly destroys the body, mind, personality and future. He said that the participation of more than 250 colleges in this campaign shows that it is no longer just an organizational initiative but has taken the form of a mass movement.

He thanked PUCA President Dr. Anshu Kataria and her team for this commendable effort and said that "we need our campus a drug-free zone, then we can succeed in a great effort in the direction of de-addiction." He stressed the need to free the youth from addiction and connect them with employment and purpose. The Governor called upon educational institutions to act not just as education but as centers of value-based learning and social extension. He urged the colleges to regularly organize mental health sessions, counselling, sports, cultural activities and de-addiction workshops so that students get a positive environment.

नशा राष्ट्रीय संकट; शरीर, मन, रिश्तों व भविष्य कर देता है नष्ट: कटारिया
