

Message

I, truly delighted and thankful to *PUCA*, which is carrying a positive message about Punjab's education system across India and playing a vital role in this initiative. On behalf of the Punjab Government, I want to reaffirm our commitment to developing the state as an international education destination. We are working diligently to create world-class infrastructure for higher education in Punjab. In this vision, the role of organizations like *PUCA* becomes even more significant as they represent the educational spirit and progressive image of Punjab.

I extend my heartfelt appreciation to Dr. Anshu Kataria, President of the Punjab Unaided Colleges Association, whose visionary leadership has steered *PUCA* towards a meaningful path. Under his guidance and leadership, the organization is contributing remarkably to strengthening higher education in the state of Punjab.

I am informed that *PUCA*'s previous education event in Bihar has received an overwhelming response. Encouraged by its success, the organization now plans to expand such initiatives to the North-East, Jharkhand, Jammu & Kashmir, and several other states. This will not only promote Punjab as a preferred education hub but also inspire students across India to choose Punjab for their higher academic aspirations.

I commend Dr. Anshu Kataria and the entire member institutions of *PUCA*, for their dedication and commitment to this noble cause. Their efforts are truly commendable and instrumental in presenting a positive and progressive image of Punjab through the medium of higher education.

I assure you that the Punjab Government stands fully committed to supporting such initiatives in every possible way.

Harjot Singh Bains

Education Minister, Punjab

EMPOWERING EDUCATION

About PUCA

With an aim to highlight the issues and problem being faced by unaided colleges, Punjab Unaided College Association (PUCA) was started in the year 2016. Right from the time of its inception, the association always aims to help and protect the unaided colleges of Punjab and to highlight the financial problems being faced by these colleges.

Dr. Anshu Kataria (Aryans Group of Colleges, Rajpura) has been elected as the President of PUCA while Advocate Amit Sharma (ACET, Amritsar) as the senior Vice President S. Gurfateh Gill (Adesh Group, Gharuan) as vice president; S. Gurpreet Singh (Universal Group, Lalru) as General secretary; Ashok Garg (SVIET, Banur) as Treasurer, Gurkirat Singh (Gulzar Group, Ludhiana) as Joint Secretary-I, CA Renu Arora (SPCET, Lalru) as Joint Secretary-II.

Dr. Manmohan Garg (Gurukul Vidyapeeth) was appointed as Finance Secretary in order to deal with the financial problems being faced by the unaided colleges and to highlight issues on social media Mr. Anoop Bansal (Arya Bhatta, Barnala) was appointed as Head social media.

To strengthen the membership of the association, region wise coordinators were also appointed. Manav Dhawan (PGC, Lalru) as Tricity coordinator, Cherry Goyal (Vidyaratan College, Sangrur) as Malwa-I Coordinator, Monty Garg (KCT College, Fatehgrah) as Malwa-II coordinator, Dr. Akashdeep Singh (Global Instt, Amritsar) as Majha Coordinator and Mr. Sanjeev Chopra (HIMT, Jalandhar) as Doaba Coordinator.

Empowered Punjab

Punjab is shaping a brighter future through transformative education, empowered youth, and world-class institutions-creating a legacy of knowledge, innovation, and opportunity that leads the way for generations to come.

Punjab, located in the north-western region of India, is a prosperous and culturally rich state known for its excellence, hospitality, and a rapidly developing education system. The peaceful environment, safe lifestyle, and modern infrastructure make it an ideal destination for students to pursue their studies.

Punjab's higher education landscape is steadily progressing. The state is home to hundreds of university-approved colleges offering modern facilities and quality education in diverse fields such as Engineering, Management, Pharmacy, Health Sciences, Hotel Management, and Arts. Colleges affiliated with reputed institutions like I.K. Gujral Punjab Technical University (IKGPTU) and Punjabi University are globally competitive and committed to academic excellence.

Alongside academics, students in Punjab benefit from a multicultural environment, career development programs, skill training, and promising placement opportunities. For students from states

like North-East, Punjab stands as a safe, affordable, and reliable option for quality education and a brighter future.

The cost of living in Punjab is comparatively lower than many metro cities, making it easier for outstation students to manage expenses. Colleges also offer scholarships, hostels, transport, and student support services. With friendly locals, a clean environment, and a focus on holistic development, Punjab is truly emerging as a preferred hub for all-round academic growth.

Recently, the Hon'ble Governor of Punjab, Shri Gulab Chand Kataria, launched PUCA's (Punjab Unaided Colleges Association) Anti-Drug Campaign, uniting over 200 reputed colleges and universities in a shared mission to make their campuses drug-free. This landmark initiative marks a significant step toward eradicating substance abuse among youth and promoting a healthier academic environment across the state.

MESSAGE

President PUCA

Strengthening Educational Ties

I extend a warm welcome to all respected consultants, education facilitators, and partners from entire North-East region. On behalf of the Punjab Unaided Colleges Association (PUCA), I feel proud to host this special meet to build deeper educational bridges between Punjab and North-East

Punjab, known as the land of five rivers, is not only rich in culture and heritage but is also rapidly emerging as one of the most dynamic educational hubs in India. With over 1,500 colleges and institutions offering diverse courses in engineering, management, health sciences, agriculture, hospitality, and liberal arts, Punjab today boasts of modern campuses, skilled faculty, world-class infrastructure, and student-friendly environments.

In recent years, Punjab's education sector has witnessed transformative growth—expanding globally accepted programs, adopting cutting-edge technology, and enhancing career opportunities for students across India. Our institutions are now attracting learners from all corners of the country, and we are especially keen to welcome students from the broader North-East.

North-East and Punjab share a growing bond of mutual respect, warmth, and academic exchange. Students from this region have already shown excellence in our colleges, and we aim to open more doors for their aspirations. PUCA and its member institutions are offering quality education at affordable costs along with scholarship opportunities, safe hostels, cultural inclusivity, and career guidance.

This consultant meet marks a new chapter of collaboration. I invite all stakeholders to partner with us in guiding young talent from North-East toward brighter futures in Punjab.

***Let us rise together—
Empowered Punjab - Promising North-East***

PUCA Thanks Punjab Government for Visionary Steps

*Dr. Anshu Kataria greeting **S. Bhagwant Maan**,
Hon'ble Chief Minister of Punjab*

*Hon'ble Education Minister of Punjab
S. Harjot Singh Bains, being greeted by PUCA Team*

The Punjab Unaided Colleges Association (PUCA) extends heartfelt gratitude to the Government of Punjab for its relentless efforts in transforming Punjab into a drug-free state and a leading education destination in India. PUCA sincerely appreciates the government's visionary policies and sustained commitment to youth empowerment and academic excellence. Member institutions of PUCA are fully aligned with this mission and are leaving no stone unturned in supporting these noble initiatives. Together, we envision a progressive, educated, and vibrant Punjab that leads the nation in quality education and social transformation. Thank you, Government of Punjab!
